

Massachusetts Freelance Employee Benefits

EFFECTIVE SEPTEMBER 1, 2020 - AUGUST 31, 2021

HEALTH

When you begin an assignment with Creative Circle, you and your dependents may be eligible to participate in the insurance plans offered through **Benefits in a Card (BIC)**. Please review these plans carefully to ensure they meet your needs as BIC plans are not considered "major medical" coverage.

- You must enroll within 30 days of receiving your first paycheck on your first assignment by calling BIC
- If you are returning on an assignment there must be a 90-day break between paychecks to be eligible to enroll

These plans provide weekly coverage based on weekly premium payroll deductions. You can enroll in an individual plan or any combination of the plans.

STAY HEALTHY MEC

This is a **preventive-only plan** designed to meet ACA guidelines for minimum essential coverage (MEC). There are no benefits for out-of-network claims. The plan covers preventive services such as annual checkups and health screenings. Detailed plan information can be found in the BIC plan brochure at creativecircle.com/2020-2021BICMedicalPlan.pdf. The plans above are administered through BIC. For questions regarding the plans and to enroll, please call BIC directly at **800.497.4856**. Rates listed above are weekly rates for coverage effective the following week.

Please be aware that this offer of Minimum Essential Coverage (MEC) does not meet Massachusetts Minimum Creditable Coverage (MCC) standards. Massachusetts requires Individuals to have coverage meeting MCC standards or face a potential penalty. Please refer to mahealthconnector.optum.com/individual/ to find out more information on the individual Massachusetts MCC requirement.

PREFERRED CHOICE PLUS INDEMNITY

BIC offers three indemnity plans: Basic, Enhanced and Premier. These plans pay a fixed reimbursement amount for qualified expenses. Reimbursement levels differ between the three options. For example, reimbursement for daily hospital confinement ranges from \$50 - \$200 per day depending on the plan you select.

COST SUBSIDY

Creative Circle will subsidize a portion of the cost of the MEC medical plan (\$10/ week) for Freelance Employees who have worked 1,000 hours or more through Creative Circle within the last 12 months. Qualification for the subsidy is measured and updated on a weekly basis. The Stay Healthy prices listed above do not include the subsidy.

PAYMENT

- Initial premium payment must be made via a payroll deduction.
- If your time card is late for any reason, you will need to make a missed premium payment directly to BIC, or you will not have coverage for the following week.
- Missed premium payments must be made within 30 days by calling BIC directly at 800.497.4856.
- Coverage will be canceled after 4 weeks of non-payment of premiums.
- Up to 4 consecutive missed payments can be made directly to BIC. After that Medical, Insure Plus, Dental and Vision plans become COBRA eligible.
