# Workday: Viewing Compensation

You can check your pay rates for each assignment in Workday.

Step 1: To access your worker profile page, click the person icon in the top right corner and then View Profile.

Step 2: Click Actions located under your name in the left-hand toolbar.

Step 3: Select Compensation. From here, you can view your pay rates.

Note: If you are on multiple assignments, you will need to switch jobs/assignments by clicking the arrows to the side of your Freelance Employee Title on your Profile.
